

THURSDAY UKE SESSIONS AT CUMBERLAND: SEPT 1st 2016

Letter from Dot
=====

After much thought I have decided to reduce the number of sessions I lead each month.

1st and 3rd Thursdays:
=====

We will have the same two high quality sessions on the 1st and 3rd Thursday of every month, with members of Misspent Uke and everyone else who attends now.

For those sessions, I would like to ask for 6-9 months playing experience from new members. Also that we could offer support to any current members who might wish to improve - and I include myself in that group.

2nd Thursdays:
=====

There will still be a session on the 2nd Thursday of the month. Fiona will play bass as usual and Denis and/or Lizzie will take the lead.

On the 2nd Thursday there will be more time for you to introduce new songs and reintroduce old songs that we have not covered for a while. This will also help Fiona with the bass lines for unfamiliar arrangements.

4th and 5th Thursdays:
=====

We will not meet on the 4th and 5th Thursdays

I really hope that you are all OK with this. We are really lucky to have a great group of people who as much as anything just enjoy playing and being together.

After much discussion with various band members, I think this move will enable us to maintain a strong group and current standards and for the next five years.

These changes will be reviewed in the New Year but hopefully will work well in the meantime.

Dot Kirton

ps. Don't forget that you can use the email list to send song sheets for new songs (or "new-old" songs) that you are going to introduce. Sometimes a link to a video or recording of the song can help too, so everyone knows how it goes and can join in.
